_____	_____	5. Plat drawn with the top of the sheet being either north or east.
_____	_____	6. Names and addresses of the owner, subdivider if other than the owner, and engineer or designer of the subdivision.

- |       |       |     |                                                                                                                                             |
|-------|-------|-----|---------------------------------------------------------------------------------------------------------------------------------------------|
| _____ | _____ | 7.  | Location of subdivision including the address and the section, township and range.                                                          |
| _____ | _____ | 8.  | All lines, dimensions and markings in waterproof black ink. (No adhesive labels)                                                            |
| _____ | _____ | 9.  | Requested name for the subdivision.                                                                                                         |
| _____ | _____ | 10. | Date of preparation.                                                                                                                        |
| _____ | _____ | 11. | SIGNED signature blocks for Questar, Qwest, Utah Power, and the local cable company indicating they have been made aware of the development |

**EXISTING CONDITIONS**

- |       |       |     |                                                                                                                                                                                                                                                     |
|-------|-------|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| _____ | _____ | 12. | Location of the nearest legal monument.                                                                                                                                                                                                             |
| _____ | _____ | 13. | The boundary of the proposed subdivision and the acreage included.                                                                                                                                                                                  |
| _____ | _____ | 14. | Depiction of all property under the control of the subdivider, even though only a portion may be considered for development.                                                                                                                        |
| _____ | _____ | 15. | Location, width and names of all existing streets within two hundred feet (200') of the subdivision                                                                                                                                                 |
| _____ | _____ | 16. | Location of all public ways, railroad and utility rights of way, parks, and other public spaces, permanent buildings and structures, and houses or permanent easements.                                                                             |
| _____ | _____ | 17. | Location of Section and corporation lines..                                                                                                                                                                                                         |
| _____ | _____ | 18. | Location of all wells, proposed, active and abandoned, and of all reservoirs within the tract and to a distance of at least one hundred feet (100') beyond the tract boundaries.                                                                    |
| _____ | _____ | 19. | Existing sewers, water mains, irrigation lines, culverts or other underground facilities within the tract and to a distance of at least one hundred (100') beyond the tract boundaries, indicating pipe sizes, grades, manholes and exact location. |
| _____ | _____ | 20. | Existing ditches, canals, natural; drainage channels and open waterways an proposed realignments.                                                                                                                                                   |
| _____ | _____ | 21. | Boundary lines of adjacent tracts of unsubdivided land,                                                                                                                                                                                             |

showing ownership where possible.

- |       |       |     |                                                                                                                                                                          |
|-------|-------|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| _____ | _____ | 22. | Contour lines at vertical intervals of not more than two feet (2') excepting in mountainous or otherwise steep areas where a more practical interval would be warranted. |
| _____ | _____ | 23. | Where applicable, location of the 100-year floodplain as determined by the federal emergency management agency (FEMA).                                                   |

**PROPOSED PLAN**

- |       |       |     |                                                                                                                                                           |
|-------|-------|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| _____ | _____ | 24. | The layout of streets (designated by actual or proposed names and numbers), showing location, widths and other dimensions of proposed streets and alleys. |
| _____ | _____ | 25. | Layout, numbers, and typical dimensions of lots.                                                                                                          |
| _____ | _____ | 26. | Parcels of land intended to be dedicated or temporarily reserved for public use or set aside for use of property owners in the subdivision.               |
| _____ | _____ | 27. | Building setback line.                                                                                                                                    |
| _____ | _____ | 28. | Proposed easements for water, sewers, drainage, utility lines and other purposes.                                                                         |
| _____ | _____ | 29. | Typical street cross sections and preliminary street grades if required.                                                                                  |
| _____ | _____ | 30. | Tentative plan to accommodate stormwater.                                                                                                                 |
| _____ | _____ | 31. | Tentative plan for culinary and secondary water systems.                                                                                                  |
| _____ | _____ | 32. | Tentative plan for sewer service.                                                                                                                         |
| _____ | _____ | 33. | An adequate traffic report prepared by a qualified traffic engineer when required by the planning commission.                                             |
| _____ | _____ | 34. | Where necessary, copies of any agreements with adjacent property owners relevant to the proposed subdivision.                                             |
