**Parents:**

- \*Please drop off your child on time and pick them up on time.
- \*You are very welcome to stay to practices. We love parents to be a part of the process. You will be able to help your child if you know what is going on.
- \*Please don't ask to miss a rehearsal; there are so few. This is really the minimum practices to do a show. We need each person there every day!!!
- \* All children have a group part! Please bring your child during his or her age assigned time. Those receiving cast parts will get a phone call to let them know to come at a different time.
- \* Please don't send your child with food, gum, candy, or drinks. A bottle with water is fine.
- \*If you have questions, please call! We send notes home, but sometimes they don't make it. There will be a group leader calling you to give you information specific to your group.
